

# REGAIN YOUR LOST EYESIGHT!

Dr. Edward Kondrot the world's only board certified ophthalmologist and certified homeopathic doctor. He is author of two best selling books on alternative medicine and eye disease. He is pleased to offer a special one day seminar on how to regain your eyesight and reverse serious eye disease.

**August 18, 2007**  
9:00 a.m. to 5:00 p.m.  
Wingate by Wyndham  
2305 Catron Street  
(off N. 19th near Costco)  
Bozeman, MT 59718

The One day seminar will include:

- Understand the importance of nutrition in a new way
- Detox your body
- What are the best supplements for your vision
- Exercises to strengthen and relax your eyes
- Color therapy to restore vision
- Homeopathy: healing from within
- Microcurrent stimulation: wake up your eyes

Seminar price of \$100.00 includes workbook and opportunity to have all your questions answered by this leading authority. Don't miss this special opportunity to learn proven methods to restore your vision! Money back guarantee if you are not satisfied!

Limited number of patients will have the opportunity to participate in Dr. Kondrot's 3 day treatment program. Visit Dr. Kondrot's web page to learn more about this program at [www.healingtheeye.com](http://www.healingtheeye.com)

## TESTIMONIALS

The seminar was refreshing . Dr. Kondrot has picked up my spirits and has motivated me to begin doing alternative therapy.

*T. M. Covington, KY*

The seminar was enlightening. I enjoyed getting more information about macular degeneration and steps I can take to improve my vision. I enjoyed all the speakers.

*BS Boca Raton, FL*

I enjoyed the seminar very much. I could feel Dr Kondrot's passion. He is looking at a eye disease in a much different way.

*B. M Pittsburgh*

She likes the way the information was presented in simple terms. Dr. Kondrot explained eye diseases and treatments very well. He explained things in a positive way. Need more of them.

*RC Munhall, PA*

It was the first seminar like this I ever attended. Everything interested me. By no means will you fall asleep at this seminar!

*GP Latrobe, PA*
